THE WONDER EXPERIENCE

There are over thirty experiences designed to regenerate body and mind, drawing on the precious thermal water of the Pucia spring, rich in mineral salts. In one of the pools in the outdoor garden stands **Le Bagnanti**, a striking work of art by Dario Tironi, inspired by the theme of sustainability. To make each relaxing break even more unique, guests can enjoy **massages, beauty rituals** and daily gastronomic delights, including the **Wellness Lunch** and the iconic evening **aperitivo** in bathrobes.
