QC GRAND HOTEL ROMA

The charm of history oozes from every corner of this dream destination. Through its original architecture, it evokes traditions and legends linked to the agricultural origins of the area: the prestigious estate is made up of three ancient buildings surrounded by a centuries-old garden. The Torlonia collection has brought together rare antique marbles from all over the world to create a refined ambience, which even extends into the bright and spacious bathrooms of the 50 bedrooms.

WELLNESS FOOD

Our delightful food, which is the result of authentic fresh ingredients being paired with elegance, makes your relaxing break complete while also giving you some time to enjoy socialising. This includes the Wellness Lunch featuring two set menus designed for all tastes, an unmissable opportunity to enjoy the Aperiterme – the exclusive aperitif with bubbles and delicacies to be enjoyed in your bathrobe – and finally a meal in the resort restaurant, for an excellent food and wine experience to end the day.

WELLNESS UPGRADE

From arrival to departure, we have come up with a range of services to make your stay even more comfortable.

FITWELL

For your wellness, of both body and mind: the FitWell programme offers hotel guests mini workout tutorials that they can try out in the comfort of their own room or outdoors.

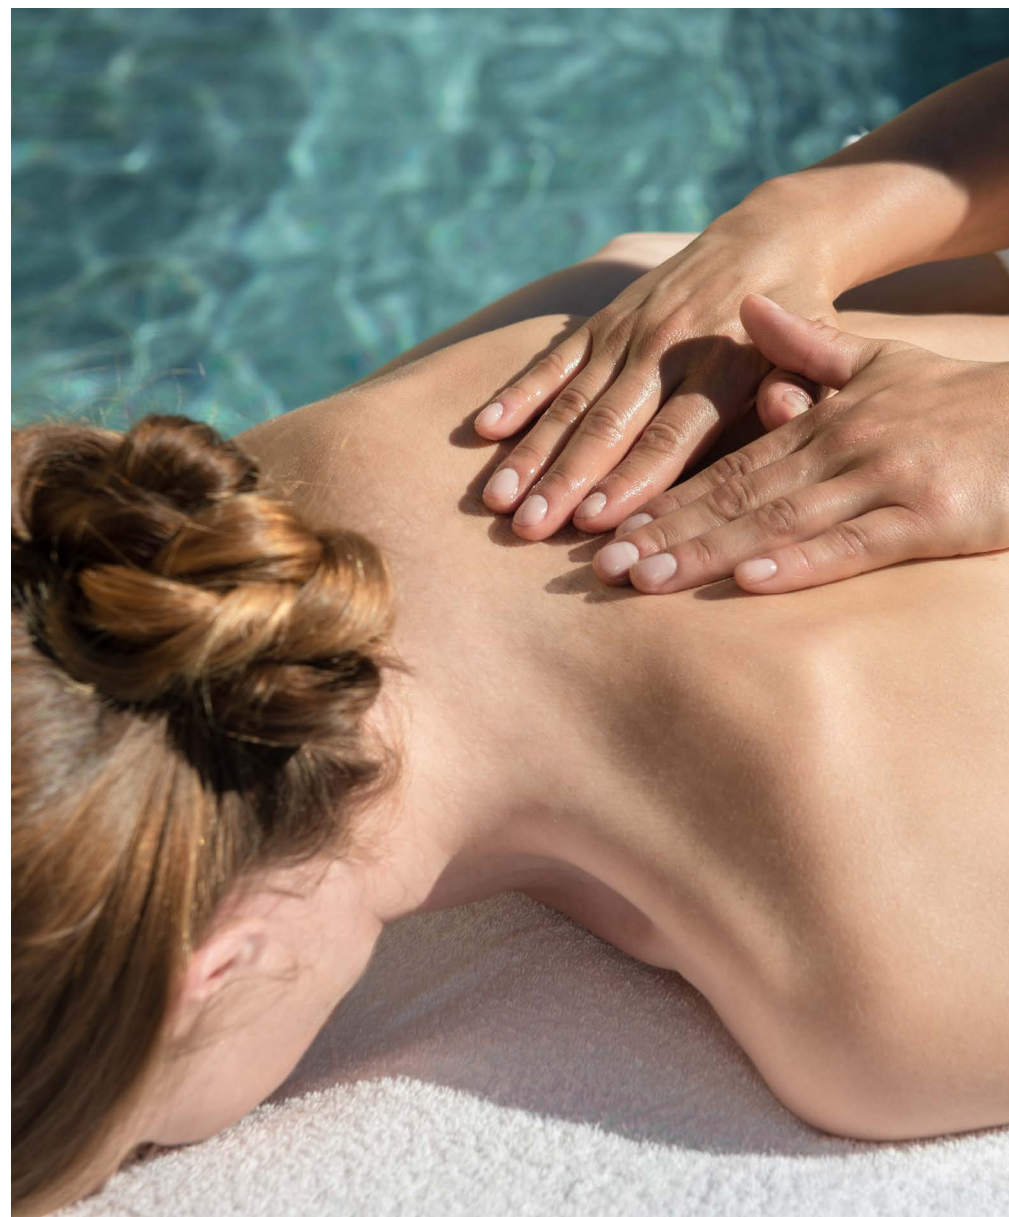

V.I.PS (VERY IMPORTANT PETS)

The welcoming spirit that we reserve for our guests every day is the same that we dedicate to their animals.

To make this happen, we have saved a sweet welcome gift for guests and set up a dedicated corner in the room with a mat and bowl.

MASSAGES AND TREATMENTS

To enrich the wellness experience, we offer a refined selection of massages to rebalance the physical and emotional spheres, complete with your choice of botanical oils to enhance the benefits of the rituals.

MEETINGS AND EVENTS

QC Roma is not only a paradise of relaxation, but also the ideal location for celebrating memorable events. The resort boasts three multi-functional rooms and an external area where modular arrangements can be created to suit different organisational needs: private parties, weddings, meetings, incentives, conventions, pre-dinner drinks, and exclusive and custom promotional events.
